

Surrealist Inspired Music Videos

NAME: _____

Period: _____

Surrealism has inspired hundreds of thousands of movies, tv shows and music videos. Even though Surrealism began in the early 20th century, Surrealism still exists all around us!

As you watch each music video, please record the Surrealist aspects of the characters, settings and effects. At the end, please write a 3-5 sentence reflection about Surrealism in the media and your reactions to what you saw/discovered today.
